Dear Mr. Davidson:

This is a response to your letter of February 1.

We examined the indexes to all the various Draper finding aids and found only one reference to a William McNabb. This reference is to a receipt in a military receipt book kept by William Preston of Augusta County, Virginia. In this volume members of Preston's company of Augusta County Rangers entered receipts for pay, provisions, and other services. A description of the McNabb receipt is attached. It goes on to say that the receipt is for pay for the months of March, April and four days in May. [1759]

Sincerely,

Harold L. Miller  
Reference Archivist
